

READ ME — Email Cash Machine Bonuses

Thanks for grabbing a copy of Email Cash Machine. Inside, you'll find everything you need to start growing your email list faster while also creating more engaging content for your audience.

These bonuses are designed to help you grow your list and boost conversions — both for your own business and as a way to provide value to your audience.

What's Included:

1. 21 Plug-and-Play Email Prompts A done-for-you PDF packed with high-converting email templates you can customize and send right away.
2. AI Prompt Pack 21 ready-to-use AI prompts to quickly create engaging, profitable emails with ChatGPT or any AI tool.
3. Two Promo Graphics Professionally designed 1080×1080 images you can use anywhere online.

How to Use These Bonuses to Grow Your List: - Give Away the Bonuses as Lead Magnets Use these PDFs as free opt-in incentives. When people request the bonuses, they join your email list. - Use Them Yourself If you're struggling to write emails or create engaging content, these prompts and templates will save you time. - Use the Graphics Anywhere Post the included images on your website, social media, blogs, or anywhere your audience hangs out. They're designed to grab attention and get people to click.

Whether you use these bonuses to grow your own list, promote your products, or simply improve your email marketing, they're built to save you time and get better results.
