

21 Plug-and-Play Email Prompts That Print Profits

Quick, copy-and-paste templates designed to turn even the tiniest email
list into consistent income

Welcome!

Congrats! You've just unlocked an exclusive bonus designed to make email marketing simple, fast, and profitable — even if your list is small. These 21 prompts are crafted to help you write emails that connect, engage, and convert. Pair them with your *Email Cash Machine* training for the best results.

Use these prompts as-is or tweak them slightly to fit your voice. Each one is short, conversational, and focused on solving one problem at a time. Let's dive in!

Section 1 — Fast-Start Email Prompts (7 Prompts)

Here’s the link → [Affiliate Link]

No pressure, just sharing what’s worked for me.

Section 3 — Engagement & Trust-Builder Prompts (7 Prompts)

Use these prompts to warm up your audience, spark replies, and build trust before pitching.

Prompt 15: “Quick question — if I could show you how to [achieve goal] without [pain point], would you want me to send it over?”

Prompt 16: “What’s the biggest challenge you’re facing right now when it comes to [topic]? Reply and let me know — I might be able to help.”

Prompt 17: “I’ve been thinking about putting together a short guide on [topic] — would you be interested if I made it free?”

Prompt 18: “Got a minute? I’d love your opinion on something I’m working on: [short description]. Reply if you’re up for it.”

Prompt 19: “Sometimes the simplest tweaks lead to the biggest results. Want me to show you what I did to get [result]?”

Prompt 20: “I’ve been getting a lot of questions about [topic], so I’m thinking of covering it next week. Would you want me to send it to you?”

Prompt 21: “I’m working on something new that could help you [achieve goal]. Want early access? Reply ‘YES’ and I’ll send it.”

Example Template:

Subject: Can I ask you something?

Hey [First Name],

Quick question for you — if I could show you how to [achieve goal] without [common frustration], would you want me to send it over?

Hit reply and let me know ■

Quick Wins + Editable Version

To get the most from these prompts:

- Personalize the first line of each email.
- Include one clear call-to-action.
- Space your emails 3–4 days apart to avoid overwhelming subscribers.

For your convenience, I've included an **editable Google Doc version** of all 21 prompts. This lets you copy, customize, and send them instantly.
