

Read Me First

Thank you for downloading this product.

This package is designed to give you a complete, ready-to-use video training you can use in your business, whether that means selling it, using it as a bonus, bundling it with another offer, or using it inside your own funnel, membership, or coaching program.

What's Inside This Package

- A folder containing the complete video training
- A folder of images and graphics you can use on your site, blog, social media, and in your promotions
- A complete, in-depth ebook that expands on the topics covered in the video course, giving you more detail, examples, and a deeper understanding of each concept
- A professionally designed ebook cover image you can use for branding and promotion
- The full ebook provided in PDF, DOC, and TXT formats so you can easily use, edit, or repurpose it however you like.

Everything is organized and ready for you to use, brand, and deliver.

Please Note: This Video Course Includes Full Unrestricted White Label Rights

That Means You CAN:

- Give it away on an opt-in page
- Add it to a membership site
- Use it as a bonus to increase sales
- Add individual videos to a blog or members area
- Customize the videos by adding your own intro and outro
- Use it as part of a larger package or bundle
- Sell it as a product and keep all the profits
- Pass on white-label, PLR, or resale rights to your customers (unless you own the Unlimited Rights upgrade)
- Sell or give this away as a rights-based product

How To Deliver This To Your Customers

To deliver this product, simply zip the main Videos folder and upload or send that .zip file using your delivery system, website, or storage service.

You may also host the videos, drip them, or integrate them into your own platform if you prefer.
