

The Stress-Free Traffic System: 10 Proven Strategies

Thanks for purchasing the sales page!

Step 1: Click [here](#) to load your new template.

Step 2: Edit your sales page however you'd like or use it as is!

Step 3: Link the “add to cart” button to an order processing site of your choosing such as PayPal.

Step 4: Upload your copy of 12 Under-The-Radar Affiliate Methods (the .zip file) to google drive or another form of online storage.

Step 5: Create a shareable link so your customers can access their download.

Step 6: Set that share link as a “thank you page” for which ever order processing solution you chose.

Step 7: Publish your new sales page.

Step 8: Start sharing your link and making sales!
